# Guild

THE

CORDOBA X-50

Engineered to the needs and budget of advanced students—wonderful buy for professionals too! Special Guild fast-action Honduras mahogany neck and adjustable steel neck rod. Finest Rosewood fingerboard with pearl position markers. New, short-action professional scale. Single built-in pick-up includes one tone and one volume control.

SLIM JIM T-100

Light in weight and easy to handle; Extra-thin ivoroid-bound body. Has a slender, fast-action Honduras mahogany neck reinforced by Guild's adjustable steel neck rod. Rosewood fingerboard is inlaid with pearl position markers. Single built-in pick-up with separate tone and volume controls.

# GUITAR WITH THE "FAST-A

## **WHEN YOU PLAY YOUR FIRST GUILD,**

your ears and musical sense will tell you that you have come to the end of your search for the finest in guitars and amplifiers. Any of the artists who play Guild will tell you of the response and resonance, the expressiveness and warmth, the flexibility and workmanship that set Guild apart from all other instruments in the field.

Guild's fast-action neck is recognised by professionals as the finest ever built. Its shape, size, proportions, smoothness and balance contribute notably to the musical output of the creative guitarist. Here is craftsmanship in the true Guild tradition!

## **THESE FAMOUS PLAYERS HAVE ALL CHOSEN A GUILD GUITAR:—**

*Top, L. to R.—DAVE GOLDBERG, IVOR MAIRANTS, JUDD PROCTOR*

*Bottom, L. to R.—DENNIS NEWEY, SIDNEY DELMONTE, RONNIE MOORE*

# CTION" NECK

MANHATTAN X-175

A strikingly beautiful and musically perfect Guild guitar... an outstanding example of professional tone quality, responsiveness and versatility. Equipped with two built-in pick-ups, perfectly balanced and aligned for distortion-free performance. Separate tone and volume controls for each pick-up. Sides and back are of select maple. Top is finest spruce. Fast-action neck of 3-piece Honduras mahogany. Rosewood fingerboard.

*Full range of Guild Guitars  
and prices overleaf.*

STRATFORD X-350

A marvel of electronics... a masterpiece of the guitar maker's art... an instrument for the swinging soloist and technician. Fast-action, 3-piece hard maple neck with adjustable steel neck rod. Ivoroid bound fingerboard is of finest Rosewood. Finest highly figured curly maple body. Three Guild pick-ups with master volume and tone controls are controlled by 6 push-buttons to allow instantaneous selection of all possible pick-up combinations.
