WALTON'S VIBRA-AMP

THE BIG SOUND IN THE SMALL PACKAGE

Walton's Vibra-Amp creates a vibrato effect as found in better amplifiers having built-in vibrato units but with the greater advantages of a built-in pre-amplifier and a vibrato effect of greater depth and speed range than in these units. **Bonus Features of Fingertip Controls with Flip Switch action eliminates extra Cords and foot operated Switches making the Vibra-Amp an "integral part of the instrument itself."**

- ★ PORTABLE (approx 4" in length)
- ★ BATTERY POWERED (9 Volt—Burgess YL6)
- ★ FOR STANDARD OR RECESSED JACKS
- ★ FAST, SIMPLE CONTROLS (Speed Variable)

GUILD "RITE-SLANT" GUITAR STRINGS

Guild "Rite-Slant" strings give amazing tonal dimension 8 depth. They preserve "Fresh String" brilliance twice as long as ordinary-type strings. Frets last longer because string friction is minimized with Guild "Rite-Slant" strings. The strings are softer to the touch and easier to play.

Each complete set is individually packed in a wallet type plastic case. A dozen sets are packaged in a transparent clearview container so that the GUILD "wallet" package is visible.
